

HALL OF FAME

ProCon, Inc.

ProCon, Inc., headquartered in Greensboro, NC is one of the supreme roofing contractors in the eastern United States. Since its inception in 1987, ProCon has established itself by providing top-quality products and excellent customer service.

Staffed with some of the most experienced professionals in the industry and carrying more than eight million square feet of roofing experience with Carlisle membrane alone, ProCon has the knowledge, skill and expertise to meet the needs of any project, no matter what the size.

Due to its expert knowledge of Carlisle's full line of roofing systems and products, ProCon is recognized as one of Carlisle's most prominent and successful authorized applicators. In order to

become a Carlisle authorized applicator, a company must undergo training, conducted by Carlisle. This training covers the installation and maintenance of every Carlisle roofing system, including its EPDM, TPO, FleeceBACK and PVC single-ply membranes. At the completion of this training, ProCon employees also enrolled in a continuing education program, which will ensure their continued understanding of the latest technology and procedures from Carlisle.

Since becoming a Carlisle applicator, ProCon has completed 279 Perfect 10 roofing installations and has an overall rating of 9.999. Perfect 10 installations, which are presented to Carlisle applicators for outstanding quality and workmanship, are based upon completed roofing

system inspections performed by a Carlisle field service representative. Prior to the issuance of a Carlisle membrane system warranty, a project is thoroughly reviewed for conformity to Carlisle specifications, excellence in workmanship and attention to detail. At the inspection's conclusion, the Carlisle representative will rate the roofing installation on a scale from 1 to 10, with 10 being a flawless application.

Due to the number and quality of its installations, ProCon has received Carlisle's prestigious ESP (excellence in single-ply). The ESP award, one of the

most recognized awards in the single-ply industry, is awarded to Carlisle authorized applicators that exceed Carlisle standards for customer service, timely deliveries and quality applications. With the ESP distinction, ProCon can offer unmatched Carlisle warranties for up to 30 years.
